## Company Profile

## Introduction

Main Event Security was created in 2005 and is based in the South West of England. We began as a small crowd safety and security management team assisting in the planning and execution of various public events, music festivals and security guarding contracts throughout the UK.

Due to our professionalism and positive effective approach to security, we quickly became established as a Limited company incorporated in Dec 2007, and our reputation for running events and providing security at sites both large and small was gaining favour in the industry.

Through the course of our actions, we have been recognised and recommended as a reliable, effective and professional company to work with and our operations range from static sites, festivals, public and private events across the UK.

We work closely and effectively with various agencies throughout the UK. We have a good team of experienced management, security operatives and event stewards to provide high quality personnel for any situation.

## Mission Statement

Main Event Security will provide high standards in Quality, Safety and Security.

We strive to ensure that our clients tasks and objectives are met and their expectations are exceeded.

We can deal dynamically with any issues that arise at any time. Therefore Maintaining Excellence in Proactive Security Solutions

## SIA Licensed Manned Guarding

Whatever your site requirements entail throughout the day or night a fully trained Main Event Security officer will protect your property, staff and valuable assets from the threats established from an in depth full site survey. Any Security Officer attending your site will be fully conversant with the challenges your site may present. Our staff are all SIA licensed, screened and vetted in compliance with BS7858 and BS7499 which is compulsory for those wishing to work for us in the security industry. You need never worry that a poorly trained, badly equipped, over priced officer is protecting your assets. Our SIA licensed staff can provide a visible, capable and professional presence at your site.

We are able to offer security guards for static manned sites and mobile patrols and will tailor our service for your specific requirements. We conform to BS7499 - Static Site Guarding and Mobile Patrol Service.

We offer a broad range of services such as:

- Full Site survey & Risk Assessment
- SIA Licenced Security Guards
- Asset protection and control
- Covert Surveillance & Foot Patrol
- Fencing
- Key Holding
- Patrol guards
- 24/7 Mobile site cover
- 24/7 Reaction teams

## Festival & Event Services

We operate using client led guidance to ensure your needs and expectations are met fully and also exceeded with a consistently high standard throughout. We intend to work with you to ensure all parts of the event are operating in a safe and friendly environment for all those attending.

Our management teams comprise of former military persons who have successfully operated in the events industry for 15 years+. They are experts in the events industry as well as other aspects of the security sector. Our management teams have achieved Crowd management FDA as well as security risk management degrees.

All security event staff are trained and licensed according to the SIA and or event stewards all carry NVQ level2/3 in crowd safety or USSE in spectator events. We ensure that ALL of our staff receive our in-house training to the highest standards which ensures that they are fully aware and have complete understanding as to their individual tasking.

We offer a broad range of security operators such as:
